Dear Young People, Parents/Carers:

We are excited to share with you our Summer Programme so you can get involved in some great events over the Summer Holidays. Please see the next page for this year's events.

Nottingham Hospitals Charity has supported our summer programme this year, so we have been able to keep costs very low or free of charge. Please note that due to people reserving places in the past and not turning up, unfortunately we cannot take bookings without the payment (if required) and the booking & consent forms.

To reserve places, fill in the booking and consent form (Link below) and return to us with the required payment. Please note that some trips will have limited spaces, so ensure to register early so that you don't miss out! Keep this letter so that you have all the relevant information!

Once you have filled out the Booking Form, assume that you have a place unless you hear otherwise. We will send out Text Reminders a few days before each event.

Here is the link to the booking and consent form:

<https://forms.office.com/e/GF9j309S8K>

If you want to take part in our sessions and are unable to pay the fee, please get in touch and we may be able to offer a funded/part-funded place.

If anyone has any questions about the summer programme, or our service in general, please get in touch.

Also, we would love to hear from anyone who fancies a fundraising challenge and would like to help raise money for the Youth Service, to help us provide future activities for young people.

Don't forget to access our website and social media accounts so you can see what is happening when & where.

Best wishes

The Youth Work Team
